HERITAGE IS COMMONING

Heritage Is Commoning er en udstillingsrække, et seminar og en bog, i samarbejde med Astrid Noacks Atelier, afholdt som en del af Golden Days Festival 2015.

Med projektet udforskede vi hvordan ideen om en homogen national identitet bliver opløst til fordel for mere globale og forskelligartede selvforståelse.
Deltagende kunstnere: Gillion Grantsaan, Ana Pavlovic og Vladimir Tomic, Masar Sohail, Jeanette Ehlers og Jane Jin Kaisen,
